Re: Tariff change

Mr. Derouen

The Grayson County Water District respectfully requests that the commission grant an adjustment to the existing tariff as submitted. The alteration requested is to sheet (41) section AA of rules and regulations dealing with Fire Departments use and reporting of water used from fire hydrants. And an addition of sheet (41.1)

I have submitted the originals and ten copies for review and approval. If there are any questions please feel free to contact District Manager Kevin Shaw at (270) 259-2917 or by mail at the above address.

Sincerely

Kevin Shaw
